

THE Camp Muskoka CHALLENGE

- ☐ Indoor ☒ Active ☒ Competitive ☐ Give Back
☒ Outdoor ☐ Less Active ☐ Non-competitive

THE IDEA

For many people their first exposure to the beauty of Muskoka is through a Camp. Going to Camp helps kids to grow, learn, have fun, and to make lifelong friendships. While at the JW Marriott Rosseau you can capture some of this spirit through the Camp Muskoka Challenge.

Give your team the Camp experience through this fun and engaging team building event. Light competition will help bring out the best in your team as they compete in a series of camp themed team building challenges.

This program takes place in the great outdoors and helps your team to enjoy the beauty of a Muskoka getaway.

THE DETAILS

- Divided into teams your group will rotate through a series of camp themed team challenges
- Your team will get to breathe in the fresh Muskoka air and feel the earth beneath their feet
- Setting up a tent, throwing an axe, and lighting a fire are just a few of the challenges your team will experience
- Points will be awarded at the end of each challenge to see who will be the Camp Muskoka Champions

THE RESULTS

- Your team will emerge from this event energized and ready to make the most of your time at the JW Marriott Rosseau
- Your team will “play with a purpose” while enhancing team problem solving, communication and teamwork skills
- This program will highlight each person's unique contribution to team success

TEAM BUILDING PROGRAMS

The team at Summit were an absolute pleasure to work with. They provided a fun and engaging team building activity into our team's offsite. Our whole team said it was one of the highlights of the two-day conference! Would highly recommend!
