THE IDEA

Take a break and unwind with the Lake Rosseau Cottage Challenge. Spending time at the cottage is a classic Canadian holiday each year. While unplugged from our daily chores we reconnect over games and laughter.

Give your team the Muskoka cottage experience through this fun and engaging team building event. Light competition will help bring out the best in your team as they compete in a series of cottage themed team building challenges.

Weather permitting this program takes you out into the fresh and revitalizing Muskoka air. If we have a wet Muskoka day we move the games inside and enjoy a rainy Muskoka day with good friends and fun.

THE DETAILS

- Divided into teams your group will rotate through a series of cottage themed team challenges
- Your team will have so much fun with the Giant Jenga Challenge, Giant Beer Pong, Giant Memory and more
- Points will be awarded at the end of each challenge to see who will be the Cottage Challenge Champions

THE RESULTS

- Take a break from your meeting and refresh and re-energize your team through this fun themed team building event
- Give your team the feel of an amazing cottage getaway they will not soon forget
- Practice essential team skills in a fun and motivational way

TEAM BUILDING PROGRAMS

Summit Team Building supported us on two team building activities. They offered several different activities options and customized the event for our timelines and desired focus. My team has provided positive feedback...I'd highly recommend!
