

Jump Start YOUR TEAM

- Indoor Active Competitive Give Back
 Outdoor Less Active Non-competitive

THE IDEA

Looking for a way to inject some energy and excitement into your next meeting? The Jump Start Your Team program provides a stimulating break for your team from planned meetings, while reinforcing critical team skills, communication, collaboration, and problem-solving.

But there's more...by participating in this program, not only are you investing in your team's development, but also that of disadvantaged youth in our communities. Through our partnership with community organizations, your team will have an opportunity to help provide local youth with opportunities to play, compete, and grow. The better your team collaborates, the more you will have to give!

Designed and delivered by Canada's most experienced team development providers!

THE DETAILS

- The group will be divided into competitive teams with the objective of earning as many points in each challenge as possible.
- The teams will circulate through a series of retro game-themed team challenges that will require communication, problem solving and collaboration.
- This exhilarating program will provide both your team and each individual within it with a unique opportunity to grow and learn, all while supporting fellow members of the community who are in need.

TEAM BUILDING PROGRAMS

Our participants were delighted with the enthusiasm, organization and overall goals of the program, which was unique and highly engaging. From a planning perspective, they are so easy to work with - well organized both before and on the day of the event! The program will be remembered for a long time!
